Don McArthur
Save the Harbor 2018

Rick Shepherd Del Norte Fisherman's Marketing Association 150 Marine Way Crescent City, CA 95531

The Board of Harbor Commissioners would like to recognize the Del Norte Fisherman's Marketing Association and Save the Harbor 2018 for their combined efforts on Measure C. The members of both organizations, and in particular Rick Shepherd and Don McArthur, worked tirelessly to bring Measure C to the voters. From ideas to canvassing to campaigning, your efforts made a difference to the Harbor, and to the community members that it serves. Without your vision and your passion, the Harbor's future would be much less certain than it is today.

On behalf of the Board, the Harbor staff, and the community, we thank you.

Sincerely,

PIGE STORY AND AND

Ducklick max.
